

Pharmacy quote worksheet

Use verified quotes for the same medication, strength, form, quantity, and days supplied.
Complete by hand. Keep completed sheets private. This is not a medication administration record.

	Pharmacy A	Pharmacy B
Product / strength / form		
Quantity / days supplied		
Pharmacy / phone		
Quote date / valid until		
Cash price		
Insurance price		
Discount / eligibility		
Delivery / other fees		
Final total / ready date		

Before deciding

Confirm the final total, eligibility, and availability with the pharmacy. Ask your insurer how an outside-plan purchase affects benefits. Keep medication and dose decisions with your care team.
